

► TARGET PRACTICE

This Glow Top table is the latest triumph of affordable design by BluDot for the Target chain. The 16-inch steel cube has a removable acrylic top and a 4-inch-deep bin. It's priced at \$40; 800/800-8800, www.target.com.

◀ DOT COM-BINE

New York interior designer Benjamin Noriega-Ortiz has teamed with Tapestry, a new online company, to create a collection of sumptuous sheers that can be turned into everything from lampshades to tablecloths. Most of the fabrics are double-width; prices from \$60 to \$120/yd. See them at www.tapestry.com and buy through architects and designers. >
