

## showstopping performances

We all know those unobtrusive lamps, intended to sit primly on a bedside table. Steven Wine and Michael Landon of **And Bob's Your Uncle** don't make anything like that. Wine draws on his experience as a glassblower and metalworker. Landon offers expertise from the fashion side. (His daring costume designs have appeared in Broadway's *The Lion King*.) Together, the duo has designed dazzling custom fixtures for architecture firm Tsao & McKown and interior designer Benjamin Noriega-Ortiz. For the Miami residence that Noriega-Ortiz designed for Lenny Kravitz, And Bob's Your Uncle created this chandelier with hand-linked acrylic rings. Versions of the sconce and pendant, in rooster feathers and rhinestones, grace a lingerie shop in Tennessee. As Wine confides, "The crazier we get, the more our clients like it." 511 West 25th Street, Suite 805, New York, NY 10001; 212-627-7702; [andbobsyouruncle.com](http://andbobsyouruncle.com). **circle 336**
